UWHA – Working for YOU!

In the past year, UWHA has worked on the following issues:

- Planned a newly designed House Staff Lounge, coming in 2012 (currently making its way through the budget process)
- Continued to make improvements to the meal card system – upcoming raise to meal cards rates to match cafeteria prices up
- Put a new coffee machine in the House Staff Lounge
- Helped negotiate for higher Chief Resident salaries
- Working with the Nutrition Committee to improve the food choices in the House Staff Lounge
- Continue to discuss options with the GME office on how to improve parking for residents
- Made taxi rides available to residents who are too tired to drive post-call as well as hospital rooms to sleep
