UWHA Board – Working for You!

- At the May Board Meeting, the UWHA Board elected their next President and Vice President. Sarah Rastogi from Pediatrics is the President for the 2010-2011 year and Scott Chalet from ENT is the new Vice-President. Congratulations and thank you to Marie Stelzer (President) and Mark Johnson (Vice President) for an incredible year!
- UW Residents and Fellows can now get free taxi rides when you are too tired to drive home/take public transportation post-call. They will also cover your cab ride back to get your car. UWHA worked on this issue in cooperation with GME. Make sure you save your receipts in order to get reimbursed by the GME office.
- The next joint effort with GME is updating the House Staff Lounge (currently in budget negotiations through 2011).
- Worried about disability insurance and extending coverage post-residency? Our May and June seminar leaders can help. Go to www.uwha.org to find their contact information under the Calendar of Events.
- The Board is advocating for online BLS renewal with skills check out and easier scheduling of ACLS with the support of the GME office. Stay tuned for more information.
